St. Albans Early Childhood Summer Camp for School Age

St. Albans Early Childhood Center (SAECC) is excited to announce its 2021 school age summer camp offering **enrollment to children ages 6 to 12 years old**. *SAECC is a NAEYC accredited childcare facility licensed to serve children between the ages of 6 weeks to 12 years* and has served the Tenleytown community for 49 years.

Our **summer enrichment program** will be a hands-on camp that provides opportunities for growth, friendship, and self-empowerment while observing all safety measures. Our sessions are crafted around four focus areas that truly define a summer of inquiry and fun for our school age campers.

Utilizing our space and excellent instructors, our children are guaranteed to have a great time. We will have 4 sessions covering the following themes:

1. Discovery Awaits! - 6/28/21 - 7/9/21

This session highlights the importance of always being curious, active, and global learners. We will cover some of the greatest (and smallest) discoveries in history and their impact on life today. From space to fossils, these two weeks will offer up a plethora of experiences to make history real.

2. We Are Creativity! - 7/12/21 – 7/23/21

Creativity may come in infinite forms but it is in all of us and demands the chance to grow, stretch, and connect. This session gives campers fantastic opportunities to explore their own creativity through hands-on color experiments, different artistic (and everyday) mediums, and expression through movement, dance, and music.

3. Connection Power! - 7/26/21 – 8/6/21

Connection to self, others, and the world is integral for campers to become the amazing people we know they can be. In this session, campers will connect to themselves, their environment, and each other through activities such as nature scavenger hunts, environmental awareness art activities, yoga, and a few team-building challenges sprinkled in for good measure!

4. Adventure On! – 8/9/21-8/20/21

Adventures come in all shapes and forms. From the daily, to the imaginary, to the awe-inspiring. There is no better suited for adventure than a school age camper. Our final session of the summer will empower campers to be brave adventures in big and small challenges. From exploring and understanding the great outdoors to obstacle courses and catapults this session's motto is "go forth and be your best, bravest self!"
